

We're Hiring!

We are looking for four Project Managers to join the team at Greenstone Group. Each role is of varying experience and in different offices across the country:

- Project Manager - AUCKLAND
- Senior Project Manager - AUCKLAND
- Senior Project Manager - HAMILTON
- Project Manager - WELLINGTON

At Greenstone its all about the 'fit' within our team. Our culture is as important to us as the projects we work on. We are a New Zealand owned and operated business who takes great pride in our work, our people and our relationships.

We work on a wide range of projects over multiple sectors from office fit outs and schools - to large scale mixed use, retail and residential developments. Our clients range from major NZ developers to government entities and an array of private organisations.

If you are looking for a new challenge and one of the roles above suit you then please get in contact. Email your CV to careers@greenstonegroup.co.nz and we will be in contact.
